Project MUSE - A Fine-Tuned Universe: The Quest for God in ... - Degree of fine tuning. Recent Studies have confirmed the fine tuning of the cosmological constant (also known as "dark energy"). This cosmological constant is a force that increases with the increasing size of the universe. The Universe: Evidence for Its Fine Tuning - Lewis and Barnes's book is the most up-to-date, accurate, and comprehensive explication of the evidence that the Universe is

a fine tuned universe

fine-tuned for life. It is also among the two most philosophically sophisticated treatments, all the while being accessible to a non-academic audience. I strongly recommend this book.â€™™
