Effective Legal Research PART I STUDY OUTLINE I. INTRODUCTION Legal research is part of the legal analysis process. It is that part of the legal analysis process that involves finding the law that applies to the legal question raised by the facts of a client's case. Each is a step in a process designed to answer legal questions and lead to the resolution of disputes ... Sat, 16 Feb 2019 01:57:00 GMT The Research Process for Effective Legal Research - Cengage - Being able to research in an effective manner is an essential skill whether you are a student or in practice. The primary aim of conducting clear and methodical legal research is finding the answer to a legal question in the most time effective way and knowing that you have searched in all the relevant sources. Being able to show that you have good legal research skills can help in securing training contracts in law firms or funding for study or research projects. In legal practice it can ...
